#### Bolivar

Original painting from life of Gen. Simon Bolivar, face being completed, uniform not finished, accompanied by statement signed by Belford Hinton Wilson, who says the General sat for it many times in 1830. He also states that the General died in his arms on Dec. 17, 1830, and that this portrait was considered by Gen. Ibarra, his aide-de-camp, and his other companions in arms, to be the best portrait of Gen. Bolivar ever made. This important portrait accompanied by full data is of the utmost South American interest. Price on application.
